

LEADERSHIP ORGANIZATION COMMISSIONS

Leadership organization commissions are commissions **you earn on product sales of** your directly sponsored **Executives**, the products sales of your Executives’ Personal Organization, the product sales of your Executives directly sponsored Executives, and the product sales of their respective personal organizations for **six (6) generations deep**.

Once you become an Executive you move from your sponsor’s personal organization to your sponsor’s leadership organization. Leadership organization consists of only Executives plus their respective personal organization (their Actives, Directs, and Masters). As each generation of Executives produce Executives, your leadership organization deepens another generation. ForYou pays commissions six generations deep depending on your level in the Compensation Plan.

Executives within your leadership organization can advance two (2) additional levels in **ForYou’s Compensation Plan**. You commission earnings will vary depending upon the current level of all Executives in your leadership organization.

Leadership organization follows the natural genealogical progression with regard to chronology of sponsorship and advancement to the Executive level.

To illustrate, the mother (YOU) has a daughter (G1) who has a son (G2) who has a son (G3) who has a daughter (G4) who has a son (G5) who has a daughter (G6)!

Leadership commissions are paid on Executives (plus their respective personal organizations) within your leadership organization. Leadership commission percentages are calculated based on 55% of the retail value of the order. To earn leadership commissions, you must be an Executive and **personally order** \$500 retail product value in a calendar month.
